

# 26th WOODSMEN'S COMPETITION

### TWO PERSON CROSSCUT

A 2-person team will make one complete cut in a 12" diameter Pine log. Each team is required to furnish their own saw. No restrictions on type of saw used. **No Setting of saw.**

**First** \$70.00 & Trophy, **Second** \$40.00 & Trophy  
**Third** \$30.00 & Trophy

### JACK & JILL CROSSCUT

This event is the same as the two-person crosscut, except the team must be one male and one female.

**First** \$70.00 & Trophy, **Second** \$40.00 & Trophy  
**Third** \$30.00 & Trophy

### CHAIN SAWING

Each contestant will make 3 complete cuts of a round log in any of 4 classes, 3.2 to 4.19, 4.2 to 5.0 (will cut a 8" log), 5.01 to 5.49 and greater than 5.5 cubic inch (will cut a 12" log). All saws must have factory safety equipment, with no engine modifications. Saws will be checked for modifications and safety prior to the event. **Saws must fit into the indicated saw class**

**First** \$40.00 & Trophy, **Second** \$30.00 & Trophy  
**Third** \$20.00 & Trophy

### WOMEN'S CHAIN SAWING

Women will make 3 down cuts in a 8" Round log using a saw in the size range of 2.49 to 3.19 cubic inches. Saw must have factory safety equipment, with no engine modifications and be checked for modifications and safety prior to the event.

**First** \$40.00 & Trophy, **Second** \$30.00 & Trophy  
**Third** \$20.00 & Trophy

### AXE THROWING

Competitor throws a double or single bit axe, with at least a 24" handle, at a log cross-section from a distance of 20 feet. The highest score will determine the winner.

**First** \$40.00 & Trophy, **Second** \$30.00 & Trophy  
**Third** \$20.00 & Trophy

### VERTICAL LOG CHOP

Contestants must chop through an 8" Pine log with an axe from a standing position. The fastest time wins.

**First** \$40.00 & Trophy, **Second** \$30.00 & Trophy  
**Third** \$20.00 & Trophy

### CHAIN SAW TREE FELLING

Contestants will fell a pole, trying to hit a stake in the ground which was previously designated by that contestant within official limits.
